A MESSAGE FROM RUGCUTTERZ DANZ ARTZ

Dear Rugcutterz Dancers, Parents, Families, Friends and Supporters,

Another dance season has come to an end and we want to thank all our dancers for sharing their talents with us this year.

As the Rugcutterz Danz Artz family continues to grow, we hope this yearbook serves as a reminder of all the friends each of us has made during the past year in dance.

Our goal for the yearbook is to create a keepsake for our dancers so that they remember their years at Rugcutterz Danz Artz. We also want to encourage school spirit and create a true community atmosphere within the studio. Everyone who dances at Rugcutterz Danz Artz should feel they are a part of a family.

Some of the year's highlights included our participation in the Santafest Parade, our annual gala organized by the Rugcutterz Parentz Association at Julius Roman Empire Banquet Hall and our year-end parties. Rugcutterz was also the recipient of the Top Choice Award for Best Dance Studio in the GTA, an award we're extremely proud of winning again.

The Rugcutterz competitive team continued its reputation for delivering award-winning routines with many of its' groups, soloists and duet/trios winning overall awards. And once again, the Rugcutterz Production routine entitled 'Far, Far Away,' left audiences cheering.

The year ended with a bang as all our talented dancers performed in the recital at the Rose Theatre in Brampton. Friends and family were treated to a memorable show from the opening number, to our fabulous hip hop dancers, acrobatic performers and the adorable little ones who always light up a stage.

As you look through the pages of the yearbook we hope you enjoy the dance year in review and we look forward to creating even more lasting memories with our dancers for many years to come.

Yours in dance,

The Rugcutterz Danz Artz Team

Rugcutterz Appears At **5TH**

CHOREOGRAPHER'S BALL

Rugcutterz debuted 'Fireflies' during the 5th Annual Choreographer's Ball at Toronto's Mod Club, Jan. 4.

The lyrical routine was created for the upcoming competitive season and featured 10 dancers in stunning white costumes, elaborate hair and fantasy-inspired make-up that required hours of preparation before the event.

The routine was well received by the more than 450 in attendance. Hosted by Joy Spears, a former contestant on the television show, 'So You Think You Can Dance?', the annual event was put on by thamovement and celebrates a variety of dance styles from ethnic, contemporary, and hip hop to tap and jazz.

Rugcutterz' assistant teacher Angela Cecchino also teamed up with Matthew Fata from the Rugcutterz Sault Ste. Marie studio and performed a passionate contemporary routine that captured the audience's attention.

"It was an honour for us to be invited to take part in this event," said Artistic Director Kim Barker.

"I think it's important for our dancers to take advantage of other performance opportunities besides competitions. It gives them some exposure to the professional world," she added.

Top Pick at The Pulse – Again!

For the third year in a row Rugcutterz Danz Artz dancers managed to impress some of today's top choreographers in the industry when they performed at The Pulse in Toronto, March 7-8.

About 15 dancers from the studio attended the two-day workshop which featured classes with such notable choreographers as Brian Friedman, Wade Robson, Mia Michaels, Laurie Ann Gibson and Chris Judd.

During the evening showcase, studios are invited to present one number for the judges to critique. Rugcutterz performed "Fireflies" and earned rave reviews from the entire panel and won the coveted 'Choreographer's Pick' Award. This was the third time in three years that Rugcutterz has won the award. In January 2007 and January 2008 the team travelled to The Pulse in New Jersey and won the Choreographer's Pick for 'Language Artz' and "The Porch."

During the two-day workshop a number of scholarships were also handed out. Tegan Maccari and Angela Cecchino were both awarded scholarships to the Broadway Dance Center in New York City, while Hanna Goldberg, Talia Schwebel and Nicole Grittani each won a Pulse Convention Scholarship.

Rugcutterz Wins Top Award for the Fourth Time!

Rugcutterz Danz Artz was honoured once again by the Top Choice Awards.

The Top Choice Awards is an event dedicated to celebrating the crowning achievements of local businesses that have been selected by the public as leaders in their field. Rugcutterz won the prestigious award for Best Dance Studio for the fourth year in a row.

"I think this award is a testament to the hard-working and talented staff that we are fortunate to have at Rugcutterz. My congratulations goes out to our entire team," said Sandra Marin, Studio Director.

Another Danz Attack in the Books

Danz Attack '08

Rugcutterz Danz Artz was definitely rockin' during the annual Danz Attack Workshop as about 120 dancers came out to learn from some of North America's top performers and choreographers, Aug. 19-22.

"I thought the workshop was awesome! It was one of the best workshops I've been to," said Company D dancer Victoria Sousa. "I can't wait till next year's workshop," she added.

The workshop featured a number of guest teachers from across North America, including Jason Williams, who just finished filming High School Musical 3 and who was a previous contestant on the FOX hit show "So You Think You Can Dance?"

"I really liked Jason Williams' classes. They were a lot of fun and I think I got a lot out of it. His music was upbeat and I enjoyed his high-energy choreography," said 12-year-old Lauren Gaudio.

More than 20 dancers from the new Rugcutterz location in Sault Ste. Marie also had the opportunity to attend the four-day workshop.

Grade 9 student Ross Aitken of the Soo, said the workshop "was a lot of fun and the teachers were amazing." His favourite teachers of the week included Gina Starbuck and Nick Gonzalez. "His class was so much fun."

Daniel Zanetti, from Company D also agreed. "I thought the workshop was amazing! It was a lot of fun and the teachers were amazing! The teachers that stood out for me were Jason Williams because he had a different style of dance and it was energetic and fun. I also loved Gina Starbuck because she was like a rocker type dancer

and once again great combos and of course Nick Gonzalez because his combo was awesome and he brings comedy to the class which is great.”

Designed to be a warm-up to the upcoming competitive dance season, Danz Attack has become a yearly event and featured instruction in ballet, hip hop, tap, jazz, lyrical, contemporary, and jazz funk.

According to Kim Barker, the Artistic Director at Rugcutterz, “The workshop is an incredible opportunity for serious dancers. It exposes them to people who are actively working in the industry and gives them a taste of the latest choreography.” Barker also said that she feels fortunate to be able to offer this program to her students as well as the dance community at large. Many smaller studios don’t have the resources to offer a program like this.”

“It is important to work hard and always dance from your heart”

- Nick Gonzalez

“The workshop helped me improve in dance a lot. The teachers were all different from each other, but they were all amazing. It helped us meet new teachers and exposes us to different types of dance,” said Company D dancer Sarah Venturo.

Other teachers on hand during the week included Alison Mixon, a graduate of The Juilliard School, Harry Shum who has worked on many projects including Step Up 2: The Streets, Drift: Fast and the Furious Three, Sharks Tale as well as Stomp The Yard, Zoey 101, That’s So Raven and Boston Public, Lisa LaTouche a native of Calgary, and Amber Krupski: who has had the opportunity to work with director/photographer David LaChappelle, recording artist Mary J. Blige, and American Idol’s Tamyra Gray.

After working with the dancers for the week, some of the instructors offered some advice and personal insight into the professional world of dance. Nick Gonzalez told the dancers it was “important to work hard and always dance from your heart.”

MAPLEFEST

For the last few summers, Rugcutterz Danz Artz dancers have entertained the crowds at Maplefest, a community festival held at the Maple Community Centre in August.

During the 2009 edition of Maplefest, the appreciative crowd cheered as our dancers performed a number of routines from the previous season.

The two-day festival featured events for the whole family and gave Rugcutterz an opportunity to show the community what the studio is all about.

Rugcutterz Danz Artz takes part in Santafest

About 75 parents, dancers and staff braved the cool temperatures and took part in the annual Santafest Parade, Nov. 9 which made its way from Wonderland to the Civic Centre.

The annual event was held in Maple and attracted about 25,000 people who waved and cheered as each of the entries passed by, spreading holiday cheer.

Rugcutterz Danz Artz's float celebrated multiculturalism and paid tribute to all its students and their different backgrounds with a float entitled, "It's a Small World." Featuring famous monuments and world flags, the float set out to celebrate diversity and remind us that some things, like dancing, are common among all cultures. The float was well received by everyone, including the judges who awarded Rugcutterz Second Place in the Commercial Float Category.

"I want to thank everyone who came out for the parade. It's a great way to participate in the community and it's a fun experience for all our dancers," said owner Ross Marin.

"I'd also like to thank all the helpers who help make the float happen, especially Lucio Rea who shared his talents with us again to design and build the float," Ross added.

COMPETITION

ANOTHER GREAT YEAR!

JUMP COMPETITION

Team Rugcutterz has gotten off to a great season after winning 11 overall awards, including the Studio Spirit Award at the Jump Competition in Buffalo, March 13-15.

Year-end Recital Caps O

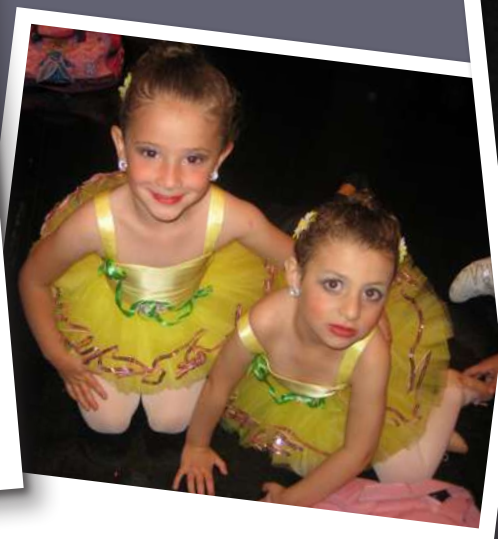

Congratulations to all the dancers who performed at the year-end recital at the Rose Theatre in 2011. This annual recital seems to get bigger and bigger each year.

A total of five shows were performed over the evening and all seemed to win over the enthusiastic audience.

Every one of the performances opened with a production number performed by about 20 dancers. The audience cheered as fairybook characters were introduced. The evening continued to entertain as tap, hip hop, ballet, jazz, contemporary and modern dancers performed as young as three up to over 100.

IT'S PARTY TIME

Rugcutterz Danz Artz celebrated the end of the season with a series of year-end parties for all its dancers and their families as a way of saying thank you to all the parents and dancers who chose Rugcutterz as their dance studio.

Three parties were held in order to accommodate all our dancers and a variety of activities were planned for the different ages, including games, presentations to teachers, entertainment, music and of course food! Our younger dancers especially enjoyed Silly Lilly the clown while the competitive students danced up a storm as DJ Mace spun some tunes. The competitive party ended with presentations to our teachers, assistants and a group of senior dancers who will be moving on to pursue professional careers and higher education.

Thank you to everyone for making this year another great success!

RUGCUTTERZ

RUGCUTTERZ TAKES MANHATTAN

A nine-member team travelled to the Big Apple to take part in the Pulse National Workshop at the Sheraton Hotel, July 27-31.

The four-day event featured workshop classes with such leading choreographers as Brian Friedman, Cris Judd, Laurieanne Gibson and Dave Scott, some of whom have appeared on 'So You Think You Can Dance?'

The event also offered our dancers and opportunity to perform a solo for a panel of judges from the Broadway Dance Centre, a highly regarded training ground for dancers in New York. Shawna Mucher, Toby Rubb and Daniel Zanetti were each chosen as a 'Top Soloist' and were invited to perform a special group number during the closing night ceremonies.

Rugcutterz also performed 'The Carousel' and 'Fireflies,' two of its most award-winning numbers from the 2008/09 dance season. The judges were impressed with the choreography of both numbers as well as the performance level of the dancers. They were especially impressed with 'The Carousel' prop built by Lucio Rea, a parent to three dancers at Rugcutterz.

During the final award ceremony scholarships were also handed out with Angela Cecchino, Toby Rubb and Sarah Venturo each earning a full scholarship for next season.

Good Luck Seniors!

Every year it is with a great sense of pride and a bit of sadness that we say good-bye to those senior dancers who are graduating from high school and leaving competitive dance to pursue further education and this year is no different.

The 2008/09 season marked the end of the competitive road for Nicole DiPlacido, Allison Steiner and Talia Schwebel.

Over the years these young women have spent countless hours in the studio, dedicated to their training. They have been mentors to the younger dancers and have demonstrated a commitment to hard work as well as have been fine examples of today's upstanding youth.

Their true success is not the countless awards they earned over the years, but the legacy they leave behind and the fine example they set for the younger dancers. They will truly be missed by the dancers, the staff and management of Rugcutterz Danz Artz.

“On behalf of everyone at Rugcutterz Danz Artz, I would like to thank Nicole, Allison and Talia for allowing us to be part of their lives. They have left an impact on us and we are proud to have had them at our studio. We want to take this opportunity to wish them a bright and successful future.” - Studio Director Sandra Marin.
