A MESSAGE FROM RUGCUTTERZ DANZ ARTZ

Dear Rugcutterz Dancers, Parents, Families, Friends and Supporters,

Another dance season has ended and we want to thank all our awesome dancers for another great year!

As the Rugcutterz Danz Artz family continues to grow, we hope this yearbook serves as a reminder of all the friends each of us has made during the past year in dance.

Our goal for the yearbook is to create a keepsake for our dancers so that they remember their years at Rugcutterz Danz Artz. We also want to encourage school spirit and create a true community atmosphere within the studio. Everyone who dances at Rugcutterz Danz Artz should feel they are a part of our family.

Some of the year's highlights included our participation in the Santafest Parade, and our year-end parties. Rugcutterz was also the recipient of the Top Choice Award for Best Dance Studio in the GTA, an award we're extremely proud of winning again, 5 years in a row.

The Rugcutterz competitive team continued its reputation for delivering award-winning routines with many of its groups, soloists and duet/trios winning overall awards. And once again, the Rugcutterz Production routine entitled 'Through the Looking Glass,' left audiences cheering.

The year ended with a bang as all our talented dancers performed in the recital at the Rose Theatre in Brampton. Friends and family were treated to a memorable show from the opening number, to our fabulous dancers and acrobatic performers, starting from the adorable little ones who always light up a stage!

As you look through the pages of the yearbook we hope you enjoy the dance year in review. We look forward to creating even more lasting memories with our dancers for many years to come.

Yours in dance,

The Rugcutterz Danz Artz Team

Miss Kim chose the award-winning routine from last season "The Carousel". Performed by Shawna Mucher, Toby Rubb, Jessica Ferlisi, Hanna Goldberg, Carly Grossman, Angela Cecchino, Emma Marin and Danielle Colangelo, the contemporary routine was well-received by for this sold out event. Rugcutterz Continues to Impress

CHOREOGRAPHER'S BALL

The annual event was put on by thamovement and celebrates a variety of dance styles from ethnic, contemporary, hip hop, tap and jazz.

"It's always an honour to be invited to take part in an event such as this," said Artistic Director Kim Barker. "I think it's important for our dancers to take advantage of other performance opportunities besides competitions. It gives them exposure to the professional world," she added.

For the fourth year in a row Rugcutterz Danz Artz won the coveted 'Choreographer's Choice Award' at the Pulse Workshop in Toronto, Feb. 13-14, 2010.

Hundreds of dancers from across North America attended the workshop that featured classes taught by top choreographers, including Brian Friedman, Mia Michaels, and Cris Judd.

A special showcase was held on the Saturday night and all studios were invited to present one number. Rugcutterz performed a new number from the upcoming competitive season entitled 'The U,' a contemporary routine choreographed by Artistic Director Kim Barker.

The routine featured members of the advanced and senior companies, including Hanna Goldberg, Jessica Ferlisi, Angela Cecchino, Toby Rubb, Emma-Marie Marin, Shawna Mucher, Danielle Colangelo and Daniel Zanetti.

"To continually have the Pulse faculty acknowledge our dancers and our work for the past four years is a tremendous honour. I think we have a lot of talent in Canada and its outstanding when we receive recognition from those that are in the industry," said Artistic Director Kim Barker.

A number of scholarships were also handed out during the two-day workshop. Scholarships were awarded to Rugcutterz students, Hanna Goldberg, Angela Cecchino, Shawna Mucher, and Talia Schwebel. Choreographer Mia Michaels presented Emma-Marie Marin with a scholarship to attend Broadway Dance Centre in New York City. Great job!

Rugcutterz Goes Far, Far Away

Rugcutterz Danz Artz Competition Team has earned a reputation for performing unique and memorable production routines each year under the direction of the studio’s Artistic Director Kim Barker.

This year the tradition continued as more than 100 dancers took to the stage in “Through the Looking Glass” based on the Alice in Wonderland Fairytale.

Audiences were amazed during this performance especially with such authentic costumes. Our students danced to such catchy tunes as Lady Gaga’s “Bad Romance.” The applause and cheering from the audience made it all worth while.

During our competitions ‘Through the Looking Glass,’ received top honours in the production category, including the highest score at Bedazzled Dance Champions in Richmond Hill, Guelph and Blue Mountain, victorious over hundreds of other routines.

Rugcutterz Danz Artz takes part in **Santafest**

Rugcutterz Danz Artz participated in the annual Vaughan Santafest Parade that took place on November 8th, 2009. Rugcutterz celebrated the holiday season as well as the 10th Anniversary of the Santafest Parade in Vaughan.

Thousands of Vaughan residents were in attendance, anxiously anticipating the arrival of Santa Claus. Along the parade route, Wonderland to the Civic Centre, audience participants watched and waved to all the floats including A Fairytale Fantasy, presented by Rugcutterz Danz Artz.

On behalf of the Rugcutterz Family, we would like to thank all the students and parents who came out to help participate, build and decorate. We were happy to contribute to another successful year at the Santafest Parade!

Another Nationals in the Books

Rugcutterz headed up north to the village of Blue Mountain July 3-8 to attend the Bedazzled Dance Champions National Finals.

The competitive team entered close to 100 routines in the six-day competition and earned 62 Diamond Awards, 30 Emerald Awards, 2 High Gold Award, 16 Special Awards, and 9 Overall Awards.

In between all the competing the dancers and their families did have some time to enjoy the beautiful surroundings and the great restaurants. There were even some celebrity sightings with a group of Rugcutterz finding their way into the company of Wayne Gretzky.

Blue Mountain 2010 will definitely go down as a memorable trip.

IT'S PARTY TIME

Rugcutterz Danz Artz celebrated the end of the season with its annual tradition of hosting year-end parties for all our dancers and their families. It's our way of saying thank you to all the parents and dancers who chose Rugcutterz as their dance studio.

Three parties were held in order to accommodate all our dancers and a variety of activities were planned for the different ages, including games, presentations to teachers, entertainment, music and of course food! The competitive party ended with presentations to our teachers, assistants and a group of senior dancers who will be moving on to pursue professional careers and higher education.

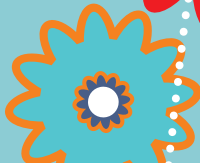

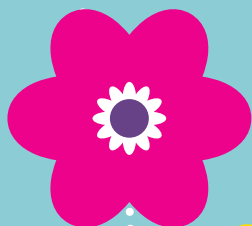

Thank you to everyone for making this year another great success!

Maplefest 2010

For the last few summers, Rugcutterz Danz Artz dancers have entertained the crowds at Maplefest, a community festival held at the Maple Community Centre in August. During the 2010 edition of Maplefest, the appreciative crowd cheered as our dancers performed a number of routines from the previous season. The two-day festival featured events for the whole family and gave Rugcutterz an opportunity to show the community what the studio is all about.

Good Luck Graduating Dancers!

Every year it is with a great sense of pride and a bit of sadness that we say good-bye to those senior dancers who are graduating from high school and leaving competitive dance to pursue further education or professional careers.

The 2009/2010 season marked the end of the competitive road for Danielle Colangelo, Jessica Ferlisi, Hanna Goldberg, Carli Grossman, Emma Marin, and Evelyn Stuart.

Over the years these young women have spent countless hours in the studio, dedicated to their training. They have been mentors to the younger dancers and have demonstrated a commitment to hard work as well as have been positive examples of today's upstanding youth.

Their true success is not the countless awards they earned over the years, but the legacy they leave behind and the fine example they set for the younger dancers. They will truly be missed by the dancers, the staff and management of Rugcutterz Danz Artz.

"On behalf of everyone at Rugcutterz Danz Artz, I would like to wish Danielle, Jessica, Hanna, Carli, Emma and Evelyn a bright and successful future as they move on to pursue new challenges. They have left an impact on us and we are proud to have had them at our studio." - Studio Manager Sandra Marin.

YOUNG DANCERS SHOWCASE TALENT AT YEAR-END RECITAL

Congratulations to all the dancers who participated in Rugcutterz Danz Artz' year-end recital at the Rose Theatre in Brampton, June 13-15. Thanks to all the hard work by the dancers and teachers, the audience was entertained from beginning to end.

A total of five shows were performed and each performance won over the enthusiastic audience.

Each of the performances opened with "Through the Looking Glass," the award-winning production number performed by over 100 competitive dancers. The audience cheered as characters from the Alice in Wonderland fairytale were brought to life in authentic costumes. The evening continued to entertain the audience as they were treated to acro, tap, hip hop, ballet, jazz, contemporary and musical theatre routines from performers as young as three up to our 'seasoned' veterans.

GREAT JOB TO ALL OF OUR AWESOME STUDENTS!

Rugcutterz Danz Artz cuts a rug during the 2010 Danz Attack Workshop. From August 24 to 27, Rugcutterz hosted top international choreographers at their Vaughan location. The 4 day intensive workshop featured talented choreographers including Matthew Peacock, Alan Kliffer, Nick Bowman, Kristy Forehand and Leon Blackwood. Teen Elite student Allegra Filippetti said, "It was an unforgettable week with amazing teachers and exciting choreography! They each had a unique style and I loved every minute of it." Over 100 competitive dancers participated in this fun filled yet challenging, intensive workshop. Friends were made, skills were strengthened, memories were fashioned and students are now counting down the days until Danz Attack 2011.
