# A MESSAGE FROM RUGCUTTERZ DANZ ARTZ

As we put another dance season behind us, we want to thank all of our awesome dancers for another successful year!

Each and every year we are so pleased to watch as our Rugcutterz Danz Artz family continues to grow. We hope that this yearbook will not only serve as a reminder of all the friends we have made over the past year, but also as a wonderful keepsake – inspiring us to never lose the love of dance. This year we are blessed to celebrate our 11th dance season!

At Rugcutterz Danz Artz, it is our priority to encourage a family environment. School spirit is important to us and we work diligently to create a true community atmosphere. Here at Rugcutterz we consider every dancer a part of our family!

Once again, Rugcutterz kept very busy this past season with all of our community involvement which included fundraising events for Princess Margaret and Sick Kids Hospital to name a few. Rugcutterz was also very proud and honoured to be awarded the Top Choice Award for Best Dance Studio in Vaughan for the 8<sup>th</sup> year in a row.

The Rugcutterz competitive team continued its reputation of delivering award-winning routines. Their beautifully executed choreography brought home many overall awards in which they will forever be proud. Many members of our competitive team also travelled to Orlando, Florida to compete in the National Starpower Dance Competition where they were awarded the VICTORY CUP for their production performance of 'FROZEN'.

As the year came to an end, we celebrated as we watched all of our talented dancers perform in the year end recital at the Rose Theatre in Brampton. Friends and family were treated as our dancers lit up the stage. It truly was a memorable event.

Please enjoy your journey through our yearbook-the dance year in review. We look forward to all of the new experiences and lasting memories still to be made in the coming dance seasons ahead.

Yours In Dance,  
*The Rugcutterz Danz Artz Team*

## Thank You for Attending the Rugcutterz Danz Artz Recital

June 8, 2014

On behalf of the City of Vaughan, I am pleased to extend greetings to everyone attending the Rugcutterz Danz Artz recital.

I would like to offer my congratulations to all the young people performing in this special event for their commitment to dance. They are an inspiration to the entire community and their dedication and hard work is to be celebrated.

We take great pride in the City of Vaughan in our appreciation of the arts – they make our lives richer and encourage us to expand our horizons and build a more diverse community. We are fortunate to have so many members of our community actively involved in the arts and assisting and supporting those who are pursuing a future in an artistic endeavour. By encouraging and supporting the arts, we are all contributing to the cultural mosaic that makes up our multicultural city.

To the performers, support staff and organizers of the Rugcutterz Danz Artz recital please accept my best wishes for a successful performance.

Yours sincerely,

Hon. Maurizio Bevilacqua, P.C.  
Mayor

# FROZEN

It's no secret that the Rugcutterz Danz Artz Competitive Team has earned an outstanding reputation for performing unique and memorable production routines each year under the direction of the studios Artistic Director, Miss Kim Barker. This year was no exception. More than 80 dancers took to the stage in "Frozen," based on the Disney sensation released earlier this year. Audiences everywhere were amazed during the performance, especially with the amazing choreography and authentic costumes. The cheering from the audience was overwhelming during each competition and recital performance. "Frozen" received top honours in the production category, receiving both Highest Mark and Special Awards. "Frozen" also received top honour at the Starpower National Competition in Orlando, Florida where they received the VICTORY CUP after performing in the Battle of the Stars!

# PRINCESS PARTY

We had a royal time on Wednesday March 12, 2014 as we hosted a Princess Party at Rugcutterz Danz Artz. Students were encouraged to come dressed up as their favourite princess as they joined us during their March Break period.

We had a royal time filled with games, dancing and fairytale gifts with all of the fairytale princesses that came to our special party. Each princess was given a royal gift at the end of the party which included a keepsake photograph, a new pair of fairy wings and a wand.

# GRADUATING CLASS OF 2014

This will be a most memorable year with having 13 dancers graduate.

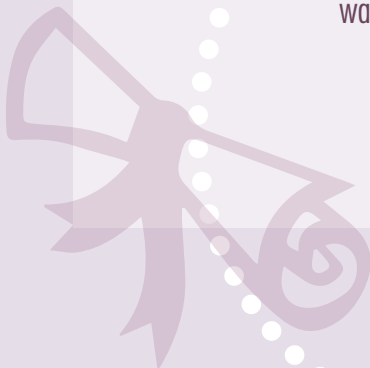

We would like to personally congratulate Robert Bazzocchi, Kristen Cogliano, Julia Ferlisi, Allegra Filippetti, Samantha Mittleman, Ally Mucher, Adam Nasso, Deanna Nasso, Alexa Rea, Emily Rodriguez, Gabrielle Stadler, Rachel Steiner and Michelle Zarb.

We are so fortunate and proud to watch each and every one of them mature into the young adults that they have become.

Today as you graduate, one chapter in your life has closed, and another is about to begin. The future stands bright before you, so take hold of your dreams and no matter what, don't let them go.

Just remember that things may not always go the way you want them to, but life has a way of taking those new directions and turning them into opportunities.

*God bless you all in all of your future endeavours.*

# YEAR END PARTIES

Continuing with our annual tradition, Rugcutterz Danz Artz celebrated the end of an outstanding dance season by hosting our famous year end parties for all dancers and their families. It's the way we like to say, "Thank You" to all the parents and dancers for choosing Rugcutterz as their dance studio. Each party was packed full of games, entertainment, music, presentations to teachers and of course, lots of food and cake.

Rugcutterz hosted three different party celebrations in order to cater to the different ages of our students. Our older recreational students came to our Friday evening party which included food, treats and a live DJ to celebrate.

Our younger recreational students came to our Saturday morning celebration which included manicures by GLAMA GAL and a meet and greet with Olaf and Princess Elsa. We ended the festivities on Saturday afternoon with our competitive student party.

# RUGCUTTERZ DANCE EXTRAVAGANZA

Congratulations to all of the young performers that participated in the Rugcutterz Danz Artz year-end recital at The Rose Theatre on June 8th, 9th and 10th. The entire year worth of hard work put forth by the dancers as well as their teachers had audiences entertained from beginning to end.

We began every show with our production routine entitled 'Frozen,' and featured over 80 of our competitive dancers.

Performances in Jazz, Tap, Ballet, Acro, Hip Hop, Musical Theatre and Lyrical continued the show. Dancers aged 3 to adult performed in front of hundreds of audience members and left them cheering for more.

We are extremely proud of the hard work, dedication and talent showcased by each of our students at the 11th Annual Danz Extravaganza. We look forward to seeing what next year has in store and is definitely sure to entertain.

# DANZ ATTACK 2014

Rugcutterz Danz Artz always has things heating up in Vaughan at the end of August as they host their annual Danz Attack Workshops... and this year was no different!

Some of the top, extremely talented international choreographers are invited to Rugcutterz to instruct our 4-day intensive workshop. This year we held two workshops, one for new students from August 12 to 15 and one for our existing students from August 18 to 21.

Over 100 competitive dancers participated in these challenging, fun filled intensive workshops held in two parts at Rugcutterz.

Skills were strengthened, memories were fashioned and friends were made.

Dancers were left thrilled and counting down the days to the beginning of a new dance season.
