A Message From

Rugcutterz Danz Artz

As we put another dance season behind us, we want to thank all of our awesome dancers for their teamwork contributing to another successful year. Each and every year we are so pleased to watch as our Rugcutterz Danz Artz family continues to grow. We hope that this yearbook will not only serve as a reminder of all the friends we have made over the past year, but also as a wonderful keepsake - inspiring us to never lose the love of dance. This year we are blessed to celebrate our 13th dance season!

At Rugcutterz Danz Artz, it is our priority to encourage a family environment. School spirit is important to us and we work diligently to create a true community atmosphere. Here at Rugcutterz we consider every dancer a part of our family!

Once again, Rugcutterz kept very busy this past season with all of our community involvement which included fundraising events for Princess Margaret and Sick Kids Hospital to name a few. Rugcutterz was also very proud to be acknowledged as Vaughan's Top Choice for the Best Dance Studio in Vaughan for the 10th consecutive year.

As the season drew to a close we had the privilege of watching all of our Recreational and Competitive dance routines performed at the year-end recital. Rugcutterz Danz Extravaganza was held at The Rose Theatre in Brampton where family and friends were treated as our dancers lit up the stage. It was truly a memorable event.

Please enjoy your journey through the yearbook - the dance season in review. We look forward to all of the new experiences and lasting memories still to be made in the coming dance season ahead.

Yours In Dance,

The Rugcutterz Danz Artz Team

Hon. Maurizio Bevilacqua, P.C.
Mayor

Thank You for Attending the Rugcutterz Danz Artz Recital

June 12, 2016

On behalf of the City of Vaughan, I am pleased to extend greetings to everyone attending the Rugcutterz Danz Artz Recital.

The City of Vaughan is a proud supporter of the arts. It breathes life into our world and contributes to the cultural mosaic that makes up our diverse and multicultural city. Organizations like Rugcutterz are an important part of our city life because they provide motivation and inspiration to young people, in addition to engaging opportunities that encourage talent, creativity and cultural expression.

Developing and nurturing the skills and talent of our young people is a community effort. We are fortunate that so many people are actively involved in supporting and promoting everything from music and dance to film and live theatre. By taking an active part in the city's arts scene, either as a performer or spectator, they are helping create a rich artistic and cultural heritage that benefits our entire community.

Please accept my best wishes for a successful and enjoyable performance.

Yours sincerely,

A handwritten signature in blue ink that reads 'Maurizio Bevilacqua'.

YEAR END Parties

Continuing with our annual tradition, Rugcutterz Danz Artz celebrated the close of an outstanding dance season by hosting our famous year end parties for all dancers and their families. It's our way to express our gratitude and appreciation to thank all the parents and dancers for being part of the

Rugcutterz Family!

Each party was packed full of games, entertainment, music, presentations to teachers and of course, lots of food and cake. Rugcutterz hosted three different party celebrations in order to cater to the different ages of our students. Our older recreational students came to our Friday evening party which included food, treats and a live DJ to celebrate. Our younger recreational students came to our Saturday morning celebration which featured a clown, face painting, balloon art and of course food. We ended the party festivities on Saturday afternoon with our competitive families.

Never grow up

This year's production routine, 'Never Grow Up', told the story of Peter Pan and his adventures to stay young at heart. Audience members were greeted by Wendy, John Boy, Michael and Nana as they started the fairytale story of Peter Pan and his adventures with Captain Hook. The story continued into the dream world of Crocodiles, Lost Boys, Indians and Pirates. Over 75 talented dancers were showcased for this wonderful production.

Team Building Day

In following with our tradition, Rugcutterz Danz Artz hosts a Team Building Workshop for both competitive students and their families. The goal of these workshops is to unite the competitive team by building strong friendships amongst all the dancers and families.

Participants are challenged as a team by working in unison to compete in activities outside their comfort zone. This workshop helps to builds continued confidence and self-esteem to all students.
